Breaking the chain (or novus  
actus interveniens, literally new

act intervening) refers in English  
law to the idea that causal  
connections are deemed to finish.  
Even if the defendant can be  
shown to have acted negligently,  
there will be no liability if some  
new intervening act breaks the  
chain of causation between that  
negligence and the loss or ... Fri,

Causation in English law  
concerns the legal tests of  
remoteness, causation and  
foreseeability in the tort of  
negligence. It is also relevant for  
English criminal law and English
